

International Organization for Biological Crystallization
Czech and Slovak Crystallographic Association,
University of South Bohemia in Ceske Budejovice and
Academy of Sciences of the Czech Republic
invite you to the

ICCBM16

16th International Conference
on the Crystallization of Biological Macromolecules

www.iccbm16.org

July 2-7, 2016
Prague
Czech Republic

Topics:

Automation in crystallization
Biomedical crystallization
Chemistry of crystallization
Complementary methods
Computational predictions
Crystallization approaches for serial crystallography
Crystallization in education
Crystallization in industry
Crystallization methods for neutron diffraction
Crystallization of macromolecular complexes
Crystal to beam
Membrane protein crystallization I
Membrane protein crystallization II
Scoring methods

Conference chair:

Ivana Kutá Smatanová
(University of South Bohemia České Budějovice)

Conference co-chair:

Pavčina Řezáčová
(Academy of Sciences of the Czech Republic, Praha)

Conference organization:

Czech and Slovak Crystallographic Association

Before the ICCBM16, the 7th FEBS Practical Crystallization Course "Advanced Methods in Macromolecular Crystallization VII" will be organized at AUC Nové Hrady, Czech Republic, June 27–July 2, 2016.
