

25.-29.5.2026

Beroun

Litava Hotel Grand

[www.xray.cz/kolokvium](http://www.xray.cz/kolokvium)

Hot topics from crystallography and structure analysis.

**Preparation of ECM-36**

*Sessions corresponding to Focus Areas of ECM-36*

Biological and Macromolecular Crystallography

Materials and Minerals

Physical Including Fundamental Crystallography

Chemical Crystallography

Experimental and Computational Techniques

**17th student symposium and competition - bachelor, master and PhD thesis from crystallography and structure analysis.**
